MAYOR RICK BAKER ENDORSES STARKEY

Kathryn Starkey is honored to announce the endorsement of her campaign for Florida House of Representatives, District 45 by Rick Baker, Mayor of St. Petersburg.

“I am extremely honored to have the endorsement and support of Mayor Baker. His endorsement means a lot to me and to my campaign. It is leadership like Mayor Baker’s that we need across the State of Florida and my intention is to go to Tallahassee and work for the citizens of District 45”, said Starkey.

Mayor Baker, while offering his endorsement of Kathryn, spoke of her great ideas for moving Florida forward to economic stability, educational improvements and planning for our future in the areas of transportation, growth and natural resources. He believes she has the enthusiasm necessary to implement conservative solutions and the experience necessary to get things done.

Kathryn has been instrumental in bringing Career Academies to Pasco County Schools, encouraging partnerships with local businesses to advance high school students to higher education or directly to the job force with workable, employable skills. Recently the economic impact of these partnerships and training programs became a reality with 1000 new jobs being offered through local business expansion in Pasco County.

Kathryn Starkey is a business woman and mother of four children who has lived in Pasco and Pinellas counties for over 20 years. Kathryn was elected to the Pasco County School Board in 2004 and re-elected without opposition in 2008. The Consortium of Florida Education Foundations honored Kathryn as a Gold Star Recipient as the School Board Member of the Year for the State of Florida in December of 2008.
