**STARKEY ENDORSED BY FORMER PINELLAS COUNTY COMMISSIONERS  
RONNIE DUNCAN AND SALLIE PARKS**

Kathryn Starkey is honored to receive endorsements for her campaign for Florida House of Representatives, District 45 by former Pinellas County Commissioners Ronnie Duncan and Sallie Parks.

Kathryn said "I am very honored to receive the endorsement of Ronnie Duncan and Sallie Parks. This is particularly important as both of them have worked with me over the years and they know me rather well. I am very proud to have them join others such as Mayor Baker and Commissioners Hildebrand and Mulieri and I thank each of them for their support and friendship."

"Kathryn is thoughtful, smart and action oriented. She will be an excellent legislator. She is a talented public official who walks with integrity, completes her homework and listens with a good ear to others before she takes action" commented Sallie Parks, Former Pinellas County Commissioner and member of the SWFWMD Governing Board.

Ronnie Duncan issued this statement: " I have known Kathryn for a number of years and have watched her work on public policy issues for our community, region and state at several levels. When confronted with an issue, she does her own research (not simply listen to one party who may have an agenda), carefully looking at how the issue impacts people, resources and our community. She then meets with and discusses options with a diverse group before making a decision on the policy issue. This conservative, thoughtful and focused process produces an outcome that is the best for the community, and not necessarily within political favor. Kathryn will be an exceptional addition to the State House and will work hard to fight for and to protect the quality of life that we hold so dear in this State."

Kathryn has served in many capacities, some of which are: Florida State Greenways and Trails Council, (Appointed by Senate President McKay, Reappointed by Governor Bush and Governor Crist); Career Technical Education Foundation; Southwest Florida Water Management District, Pinellas-Anclote River Basin Board (Appointed twice by Governor Bush); Citizens Advisory Council-Comprehensive Land Use Plan, Vice Chair District 4; Citizens Ordinance Review Committee, Pasco County; Citizens for Scenic Florida, Executive Board Member; Suncoast Corridor Advocacy Group for Scenic Highway Designation, Vice Chair.
